Honoring Yesterday. Building Tomorrow

The Lyon Township Community Garden is now open and located on the west side of Milford Road between 11 Mile and Grand River in the open field in front of Abbey Park Assisted Living. Plots have been measured out between dirt walkways and identified with letters A through Z.

Claiming a plot is easy! Simply go to the garden, decide which available plot you'd like, and then call the Township office at 248-437-2240 to report the plot you selected and provide your contact information. Water totes are on site for easy access to water for your plants.

This is the first year that Lyon Township is offering this program. Participants are encouraged to provide feedback and suggestions.

Happy growing!

UPS Store Ribbon Cutting

On May 30th, Lyon Township officials presented the UPS Store with a certificate of appreciation as part of the "Welcome to Lyon Township" initiative. The purpose of this program is to acknowledge the investment a business makes in Lyon Township and let the owner and community know this commitment is appreciated.

The UPS Store's mission is to provide the backbone of services for small businesses. They offer shipping/packing, notary, print services, mailboxes, and office supplies.

The UPS Store has been in the Township for nearly a decade but recently relocated to be able to expand and offer even more exciting services in the future.
